## **AGENDA**

**TEXAS TRANSPORTATION COMMISSION**  
**125 East 11<sup>th</sup> Street**  
**Austin, Texas**

**THURSDAY**  
**October 25, 2018**

### **9:00 A.M. CONVENE MEETING**

1. **Safety Briefing**

*Staff will provide general safety instruction.*

2. **Consider the approval of the Minutes** of the September 26, 2018, workshop meeting and the September 27, 2018, regular meeting of the Texas Transportation Commission

3. **Contracts**

Consider the award or rejection of contracts for highway construction and maintenance, and construction and rehabilitation of buildings (Presentation)

*These proposed minute orders contain information concerning the receipt of bids for highway improvement contracts. The department may reschedule receipt of bids for those projects where the commission rejects all bids. Those bids accepted by the commission will result in conditional contract awards to the low bidders. Contract award conditions may involve securing funding from other sources, the contractor's ability to satisfy federal DBE subcontracting requirements, or other requirements as outlined in the project bid proposal.*

a. **Construction of Highways and Other Transportation Facilities**

(see attached itemized list) (MO)

b. **Highway Maintenance** (see attached itemized list) (MO)

c. **Construction and Rehabilitation of Buildings**

(see attached itemized list) (MO)

4. **Aviation**

**Various Counties** - Consider the award of federal non-primary entitlement grant funding, federal apportionment grant funding, and state grant funding for airport improvement projects at various locations (MO) (Presentation)

*Federal law authorizes the award of federal non-primary entitlement grant funding and federal apportionment grant funding to preserve and improve the state's general aviation system. State law authorizes the award of state grant funding for capital improvement projects.*

5. **Maritime (Presentation)**

- a. **Consider the approval of the Gulf Intracoastal Waterway Report (MO)**  
*The Gulf Intracoastal Waterway (GIWW) is an important component of the Texas multimodal transportation system. The department is the non-federal sponsor of the GIWW and works closely with the U.S. Army Corps of Engineers on the GIWW and other Texas waterways issues. State law requires the commission to continually evaluate the impact of the GIWW on the state and to publish and present a report to each regular session of the legislature.*
- b. **Cameron County - Brownsville Navigation District - Consider approval of participation by the state in the form of a grant in the amount of up to \$1,532,868 to the Brownsville Navigation District (Port of Brownsville) for the payment of a portion of the costs of construction of a port access public roadway project generally described as a direct connector roadway beginning at SH 4 to Ostos Road in Cameron County (MO)**  
*This minute order will authorize the department to participate in the form of a grant to the Brownsville Navigation District, operating as the Port of Brownsville, to pay a portion of the costs of construction of a port access public roadway project, to construct a direct connector roadway beginning at SH 4 to Ostos Road. Rider 45 in the General Appropriations Act, 85th Legislature, Regular Session, 2017, allocates up to \$20,000,000 in each fiscal year of the 2018-2019 biennium from any available source of revenue and/or balances in the Texas Mobility Fund No. 365 for public roadway projects selected by the Port Authority Advisory Committee and approved by the commission to improve connectivity to Texas ports.*
- c. **Galveston County - The Galveston Wharves (Port of Galveston) - Consider approval of participation by the state in the form of a grant in the amount of up to \$1,088,471 to the Galveston Wharves (Port of Galveston) for the payment of a portion of the costs of construction of a port access public roadway project generally described as Old Port Industrial Road Improvements in Galveston County, Texas (MO)**  
*This minute order will authorize the department to participate in the form of a grant to the Galveston Wharves (Port of Galveston) to pay a portion of the costs of construction of a port access public roadway project to improve access and traffic circulation to the cruise terminal complex on Galveston Island by providing a variety of improvements, which include repaving 33rd St. North to Old Port Industrial Road, improving the at-grade rail crossings at 33rd St. and Old Port Industrial Road, widening Old Port Industrial Road to add an additional turn lane, reconfiguring the median at 28th St. and Harborside Dr., and installing directional signs on Old Port Industrial Road. Rider 48 in the General Appropriations Act, 84th Legislature, Regular Session, 2015, allocates up to \$20,000,000 for the 2016-2017 biennium from any available source of revenue or proceeds in the Texas Mobility Fund No. 365 for port capital improvement projects selected by the Port Authority Advisory Committee and approved by the commission.*

6. **Eminent Domain Proceedings**

**Various Counties - Consider the authorization of the filing of condemnation proceedings to acquire real property by eminent domain for non-controlled and controlled access highways (see attached itemized list) (MO)**

*Commission findings, determinations, and authorizations for the state, by motion made in accordance with Senate Bill 18 (82<sup>nd</sup> Legislature), to acquire by eminent domain, upon the payment of adequate and just compensation, various ownership interests in specific parcels of real property that are needed to develop or improve both non-controlled and controlled access state highways, to include requesting the state attorney general to bring and pursue condemnation suits relating to those specific parcels of real property described in the attached itemized list.*

7. **Routine Minute Orders and Reports**

a. **Donations to the Department**

**Various Districts** - Consider the acknowledgment of donations with a value of \$500 or more, including donations of money, materials, services, or real property, that are made to the department for the purpose of assisting the department in carrying out its functions and duties or for improving access to or from a highway on the state highway system (see attached itemized list) (MO)

*State statutes require the commission to acknowledge the acceptance of a gift to the department that is valued at \$500 or more. By the adoption of this minute order, the commission acknowledges the receipt and acceptance of the property specified in the minute order.*

b. **Real Estate Disposition**

*The commission must approve the sales, transfers, and exchanges of state rights of way and other real properties that are no longer needed for a state highway purpose.*

**Lamar County** - SL 286, .54 miles east of FM 195 in Paris - Consider the exchange of drainage easements (MO)

*The owners of a tract upon which the department owns a drainage easement have built and improved an alternate drainage facility. They have requested the release of the department's current drainage easement in exchange for one over the new drainage facility. The district has determined that this is a superior drainage solution and supports the exchange.*

c. **Reports**

(1) **Compliance Division report**

*State law requires the commission to establish a compliance program, which must include a Compliance Division to oversee the program. The Compliance Division is responsible for acting to prevent and detect serious breaches of department policy, fraud, waste, and abuse of office, including any acts of criminal conduct within the department. The Compliance Division is required to provide a monthly report to the commission regarding investigations and a summary of information relating to trends and recommendations.*

(2) **Letting allocation status report**

Quarterly status report on the FY 2018 letting allocation, the actual allocation utilized through the current month, and proposed remaining highway maintenance and construction contract letting for the fiscal year (Report)

*This report will provide the current overall allocation status, by district and metropolitan planning organization, of the FY 2018 letting allocation and will also provide the anticipated effect on the letting allocation of remaining proposed highway maintenance and construction letting.*

(3) **Quarterly report on FY 2018 State Highway Fund 6 cash status (Report)**

*This report updates the commission on the year-to-date cash balance and activity of Fund 6. The report will include original projections and actual revenues/inflows and expenditures/outflows on a cash basis.*

d. **Finance**

(1) **Quarterly investment report (MO)**

*This minute order recognizes the presentation and commission's acceptance of the quarterly investment report for the investment of funds held by the Bank of New York Mellon, as trustee, under the Central Texas Turnpike System master trust indenture; funds for the Pre-paid TxTag account held by the Bank of New York Mellon, acting as custodian; and funds related to obligations issued for the IH 35E Project under a Trust Agreement by and between Amegy Bank, a Division of ZB, National Association, as trustee, and the department.*

7. **Routine Minute Orders and Reports (continued)**

d. **Finance (continued)**

- (2) **Various Counties** - Consider the acceptance of the annual escalated toll rates for portions of SH 99 (Grand Parkway) consisting of the tolled portion of Segment D in Harris County, Segments E, F-1, F-2, G, H, I-1, and I-2B, and for the existing tolling points on the portion of Segment I-2 from I-10 to Fisher Road (Segment I-2A), as calculated on the toll escalation determination date (MO)

*This minute order accepts the annual escalated toll rates for the tolled portion of Grand Parkway Segment D in Harris County and for Segments E, F-1, F-2, G, H, I-1, and I-2B, and for the existing tolling points on Segment I-2A, replacing the current toll rate tables previously set by the commission with toll rate tables that escalate the toll rates on January 1, 2019, based on the annual toll rate escalation percentage.*

- (3) **Travis and Williamson Counties** - Consider the acceptance of the annual escalated toll rates for the Central Texas Turnpike System, as calculated on each toll escalation determination date (MO)

*This minute order accepts the annual escalated toll rates for the Central Texas Turnpike System, consisting of the SH 130 (Segments 1-4), SH 45N, Loop 1 (from FM 734 to SH 45N), and SH 45SE project elements, replacing the current rate tables previously set by the commission with toll rate tables that escalate the toll rates on January 1, 2019, based on the annual toll rate escalation percentage.*

- (4) **Travis and Williamson Counties** - Consider the acceptance of the report of Actual Traffic and Revenue for the Central Texas Turnpike System (MO)

*Report of actual traffic and revenue for the Central Texas Turnpike System as of August 31, 2018.*

e. **Transportation Planning**

- Various Counties** - Consider the certification of eligible counties for the 2019 Economically Disadvantaged Counties Program and establish local match adjustments for each county and certain cities (MO)

*This minute order certifies the counties to participate in the Economically Disadvantaged Counties Program for Fiscal Year 2019 and sets forth the local match adjustment for each county and certain cities participating in the program. State law requires the commission to annually certify economically disadvantaged counties as soon as possible after the comptroller reports on the relevant economic indicators.*

f. **Highway Designation**

- Nacogdoches County** - In the City of Nacogdoches, consider redesignating SH 7 as BS 7-N, designating SH 7 as BS 7-N concurrent with BU 59-F, redesignating SH 21 as BS 21-P and designating SH 7 and SH 21 concurrent with US 59 and SL 224 (MO)

*This minute order redesignates SH 7 as BS 7-N from the intersection of US 59/SL 224 northeastward to the intersection of BU 59-F, then concurrent with BU 59-F northeastward to the intersection of SH 21 and BU 59-F, then eastward to the intersection of SH 21 and SH 7, then northeastward to the intersection of SL 224; designates SH 7 concurrent with US 59/SL 224 from the intersection of US 59/SL 224 and SH 7 southeastward to the intersection of US 59/SL 224 and BU 59-F, then concurrent with SL 224 from the intersection of US 59/SL 224 and BU 59-F northeastward to the intersection of SL 224 and SH 7; redesignates SH 21 as BS 21-P from the intersection of US 59/SL 224 eastward to the intersection of SL 224; and designates SH 21 concurrent with US 59/SL 224 from the intersection of US 59/SL 224 and SH 21 southward and southeastward to the intersection of US 59/SL 224 and BU 59-F, then concurrent with SL 224 from the intersection of US 59/SL 224 and BU 59-F eastward and northeastward to the intersection of SL 224 and SH 21.*

7. **Routine Minute Orders and Reports (continued)**
  - g. **Designation of Access Control**  
**Midland County** - SH 349, northwest of the City of Midland - Consider the designation of one location on SH 349 at which access will be permitted to the abutting property (MO)  
*The designation of one 80-foot break in the control-of-access line will allow the abutting landowner to open one commercial driveway for access to and from SH 349. The district has determined that access may be permitted at the designated location.*
  - h. **Speed Zones**  
**Various Counties** - Consider the establishment or alteration of regulatory and construction speed zones on various sections of highways in the state (MO)  
*This minute order establishes or alters regulatory and construction speed zones on various sections of highways in the state.*
8. **Executive Session** Pursuant to Government Code, Chapter 551  
**Section 551.071** - Consultation with and advice from legal counsel regarding any item on this agenda, pending or contemplated litigation, or other legal matters.

**OPEN COMMENT PERIOD** - At the conclusion of all other agenda items, the commission will allow an open comment period, not to exceed one hour, to receive public comment on any other matter that is under the jurisdiction of the department. No action will be taken. Each speaker will be allowed a maximum of three minutes. Speakers must be signed up prior to the beginning of the open comment period.

## **ADJOURN**

\* \* \*

### **NOTE:**

Enumerated agenda items are assigned numbers for ease of reference only, and will not necessarily be considered by the commission in that particular order. Items identified with (MO) for minute order are those upon which the commission is considering an action. Persons with special needs or disabilities who plan to attend this meeting and require auxiliary aids or services are requested to contact Robin Carter at (512) 305-9536 at least three working days prior to the meeting so that appropriate arrangements can be made.

**Donations to the Department**

<b><u>Donor</u></b>	<b><u>Dist</u></b>	<b><u>County</u></b>	<b><u>Donation Description</u></b>
Ansley Corporation	WAC	Bell	Design and construction of widening existing roadway and a left turn lane from FM 439 onto High Crest Drive in Belton.
Belton Economic Development Corporation	WAC	Bell	Design and construction of widening a short portion of Loop 121 at West Avenue D to facilitate the installation of a northbound left turn lane on Loop 121 in Belton. The work includes widening Loop 121 by 9 feet in a southerly direction of the west side of Loop 121 from the Avenue D intersection for approximately 500 feet, the southeast quadrant of the intersection to hand the roadway traffic traveling to the west and to the east side of the proposed four-way intersection.
Black Mountain Sand, LLC	ODA	Winkler	Design, construction and construction engineering inspection of highway improvements to include the addition of acceleration and deceleration lanes, additional travel and passing lanes, and turning lanes along SH 302 to access the El Dorado Commercial Plant in Winkler County.
Black Mountain Sand, LLC	ODA	Winkler	Design, construction and construction engineering inspection of highway improvements to include the addition of acceleration and deceleration lanes, additional travel and passing lanes, and turning lanes along SH 302 to access the Vest Commercial Plant in Winkler County.
