AGENDA

TEXAS TRANSPORTATION COMMISSION
125 East 11th Street
Austin, Texas

THURSDAY
August 29, 2019

9:00 A.M. CONVENE MEETING

1. Safety Briefing

Staff will provide general safety instruction.

2. Consider the approval of the Minutes of the July 24, 2019, workshop meeting and the July 25, 2019, regular meeting of the Texas Transportation Commission

3. Acknowledgement of Service

Recognize by resolution Director of District Operations Randy Hopmann, P.E., for 35 years of service to the department

4. Contracts

Consider the award or rejection of contracts for highway construction and maintenance, and construction and rehabilitation of buildings (Presentation)

These proposed minute orders contain information concerning the receipt of bids for highway improvement contracts. The department may reschedule receipt of bids for those projects where the commission rejects all bids. Those bids accepted by the commission will result in conditional contract awards to the low bidders. Contract award conditions may involve securing funding from other sources, the contractor's ability to satisfy federal DBE subcontracting requirements, or other requirements as outlined in the project bid proposal.

a. Highway Improvement and Other Transportation Facilities

(see attached itemized list) (MO)

b. Routine Maintenance (see attached itemized list) (MO)

c. Construction and Rehabilitation of Buildings

(see attached itemized list) (MO)

5. Financial Management

Consider the adoption of the Fiscal Year 2020 Texas Department of Transportation Budget (MO)

This minute order adopts the department's annual budget as prescribed by the General Appropriations Act.

6. **Unified Transportation Program (UTP)**
 Consider the approval of the 2020 Unified Transportation Program (MO) (Presentation)
The Unified Transportation Program (UTP) is a 10-year statewide plan for transportation project development. The Project Selection Process (PSP) is approved annually and describes the funding categories and process for selecting transportation projects. This minute order approves the 2020 UTP for fiscal years 2020-2029 as well as the PSP for the 2020 UTP.

7. **Regional Mobility Authority**
Various Counties - Consider authorizing Camp and Cass Counties to become part of the North East Texas Regional Mobility Authority (MO)
The commission authorized the creation of the North East Texas Regional Mobility Authority (NET RMA) in October 2004. Under the department's rules, one or more counties may request commission approval to become part of an existing regional mobility authority. The department has received a petition from Camp and Cass Counties requesting to join NET RMA. The board of directors of NET RMA has adopted a resolution agreeing to the addition.

8. **Promulgation of Administrative Rules** Under Title 43, Texas Administrative Code, and the Administrative Procedure Act, Government Code, Chapter 2001:
Proposed Adoption
 - a. **Chapter 1 - Management**
 New §1.90, Advisory Committees for Ports-to-Plains Corridor (MO)
H.B. 1079, 86th Legislature, requires the department to establish a Ports-to-Plains Advisory Committee and corridor segment committees to assist the department in conducting a comprehensive study of the Ports-to-Plains Corridor. Government Code, Sec. 2110.005 requires a state agency to adopt rules that state the purpose and tasks of an advisory committee and that describe the way that the committee will report to the agency. This new rule provides the information required by Sec. 2110.005 and establishes sunset dates for the committees.
 - b. **Chapter 15 - Financing and Construction of Transportation Projects**
 Amendments to §15.51, Definitions, and §15.55 Construction Cost Participation (Federal, State, and Local Participation) (MO)
S.B. 2168, 86th Legislature, expanded the Economically Disadvantaged Counties Program to include a county that meets the statutory eligibility criteria within the past six years and been included in no less than five federally declared disasters within that same time period. The proposed amendments conform the administrative rules to the revised statute.
 - c. **Chapter 1 - Management**
 Amendments to §1.82 and §§1.85 - 1.87; Repeal of §1.88 and New §1.88 (Advisory Committees) (MO)
The proposed amendments extend the sunset dates for statutory and department advisory committees and repeal, as executed, a rule that required a one-time report by each advisory committee.

9. **Aviation (Presentation)**
 - a. **Routine Airport Maintenance Program**
 Consider the approval of the Routine Airport Maintenance Program (MO)
State law authorizes the award of state funding for routine airport maintenance projects. Historically, approximately \$4 million per year has been allocated through the Routine Airport Maintenance Program for grants to eligible airports. The recommended airports are eligible for award of these grant funds and the department seeks approval of the listed airports for awards.

9. **Aviation (continued)**

- b. **Aviation Capital Improvement Program**
Consider the approval of the Aviation Capital Improvement Program (MO)
The department is required to prepare and update annually a multi-year aviation facilities capital improvement program. The department is seeking commission approval of this program.
- c. **Various Counties** - Consider the award of federal discretionary grant funding, federal supplemental funding, federal non-primary entitlement grant funding, federal apportionment grant funding, and state grant funding for airport improvement projects at various locations (MO)
Federal law authorizes the award of federal discretionary grant funding, federal supplemental funding, federal non-primary entitlement grant funding, and federal apportionment grant funding through the Consolidated Appropriations Acts, 2018, to preserve and improve the state's general aviation system. State law authorizes the award of state grant funding for capital improvement projects.

10. **Advisory Committee Appointments**

- a. Consider the appointment of members to the Aviation Advisory Committee (MO)
This minute order approves appointment of members to the Aviation Advisory Committee to fill vacated terms. In addition, it appoints members to three newly created positions. The purpose of the committee, created by state law, is to advise the commission and the department on aviation matters.
- b. Consider the appointment of members to the Port Authority Advisory Committee (MO)
This minute order approves appointment of members to the Port Authority Advisory Committee to fill vacated terms. The purpose of the committee, created by state law, is to offer advice and recommendations that will provide the commission and the department with a broad perspective regarding maritime ports and transportation-related matters to be considered in formulating department policies concerning the Texas maritime port system.
- c. Consider the appointment of members to the Bicycle Advisory Committee (MO)
This minute order approves appointment of members to the Bicycle Advisory Committee to fill vacated terms. The purpose of the committee is to advise the commission on bicycle issues and matters of mutual concern between the department and the bicycling community.
- d. Consider the appointment of members to the Border Trade Advisory Committee (MO)
This minute order approves appointment of members to the Border Trade Advisory Committee to fill vacated terms. The purpose of the committee, created by state law, is to define and develop a strategy and make recommendations to the commission and the governor to address the highest priority border trade transportation challenges.
- e. Consider the appointment of members to the Ports-to-Plains Advisory Committee (MO)
This minute order approves appointment of members to the Ports-to-Plains Advisory Committee in accordance with H.B. 1079, 86th Legislature. The committee will assist the department in conducting a comprehensive study of the Ports-to-Plains corridor.

11. **Prohibition Order**

- Various Counties** - Consider issuing an order prohibiting the operation of certain motor vehicles on Texas Department of Transportation toll projects (MO)
Transportation Code, Section 372.110, authorizes the commission to issue an order prohibiting the operation of a motor vehicle on a department toll project if the registered owner of the vehicle has been finally determined to be a habitual violator, subject to certain notice requirements. A person commits an offense if the person operates a motor vehicle on a toll project in violation of the order. Subsequent offenses may result in impoundment of the vehicle.

12. **Eminent Domain Proceedings**

Various Counties - Consider the authorization of the filing of condemnation proceedings to acquire real property by eminent domain for non-controlled and controlled access highways (see attached itemized list) (MO)

Commission findings, determinations, and authorizations for the state, by motion made in accordance with S.B. 18, 82nd Legislature, to acquire by eminent domain, upon the payment of adequate and just compensation, various ownership interests in specific parcels of real property that are needed to develop or improve both non-controlled and controlled access state highways, to include requesting the state attorney general to bring and pursue condemnation suits relating to those specific parcels of real property described in the attached itemized list.

13. **Routine Minute Orders and Reports**

a. **Donations to the Department**

Various Districts - Consider the acknowledgment of donations with a value of \$500 or more, including donations of money, materials, services, or real property, that are made to the department for the purpose of assisting the department in carrying out its functions and duties or for improving access to or from a highway on the state highway system (see attached itemized list) (MO)

State statutes require the commission to acknowledge the acceptance of a gift to the department that is valued at \$500 or more. By the adoption of this minute order, the commission acknowledges the receipt and acceptance of the property specified in the minute order.

b. **Real Estate Dispositions**

The commission must approve the sales, transfers, and exchanges of state rights of way and other real properties that are no longer needed for a state highway purpose. It must also approve, accept, and acknowledge donations to the state of real property that is valued at \$500 or more.

(1) **Collin County** - SH 289 - Consider an easement release to the underlying fee owner Celina Preston 2016 Partners LLC (MO)

The district has determined that the easement is no longer needed for highway purposes. The easement may be released to the underlying fee owner.

(2) **Denton County** - US 377 - Consider the exchange of right of way as part of the settlement of eminent domain litigation in the matter of *State of Texas v. Peterson/Coleman Family Partnership, a Texas Limited Partnership, et al.*, Cause No. PR-2016-00515 (MO)

The district has determined that the land to be conveyed by the state in the exchange is no longer needed for a state highway purpose. The governor, on the recommendation of the commission, may execute a deed exchanging an interest in real property acquired but not needed for a highway purpose as whole or partial consideration for another interest in real property needed for a state highway purpose.

(3) **Randall County** - SL 48 - Consider the removal from the system, and transfer of ownership, jurisdiction, control, and maintenance of right of way to the City of Canyon (MO)

The district has determined that SL 48 is no longer needed as part of the state highway system. The City of Canyon (city) has agreed to assume jurisdiction, control, and maintenance and has requested that the right of way be transferred to the city. Minute Order 115523, dated June 27, 2019, recommending the execution of a proper instrument conveying all of the state's right, title, and interest in SS 48 to the City of Canyon is rescinded and replaced by this order.

13. **Routine Minute Orders and Reports (continued)**

b. **Real Estate Dispositions (continued)**

- (4) **Tarrant County** - SH 121 - Consider the sale of right of way to an abutting landowner (MO)

The district has determined that the land is no longer needed for highway purposes. An abutting landowner has requested to purchase the land, and it may be sold to the requester.

- (5) **Winkler County** - SH 18/SH 302 - Consider an easement release to the underlying fee owner Pizza Properties, LLC, a Delaware Limited Liability Company doing business in Texas as Louisiana Pizza Properties, LLC (MO)

The district has determined that the easement is no longer needed for highway purposes. The easement may be released to the underlying fee owner.

c. **Report**

Compliance Division Report

State law requires the commission to establish a compliance program, which must include a Compliance Division to oversee the program. The Compliance Division is responsible for acting to prevent and detect serious breaches of department policy, fraud, waste, and abuse of office, including any acts of criminal conduct within the department. The Compliance Division is required to provide a monthly report to the commission regarding investigations and a summary of information relating to trends and recommendations.

d. **Finance**

- (1) Consider the annual review and approval of the investment policy and investment strategies applicable to all funds of the commission not otherwise required to be invested by the comptroller; consider adopting investment strategies for funds to be held under the trust agreement securing a loan from the United States Department of Transportation pursuant to the Transportation Infrastructure Finance and Innovation Act of 1998 to pay a portion of the eligible project costs of the SH 183 Managed Lanes Project (Midtown Express) in Dallas and Tarrant counties (MO)

This minute order approves the commission's investment policy and investment strategies. The Public Funds Investment Act requires the commission to review the investment policy and investment strategies on an annual basis, and to approve by order any modifications to the investment policy and investment strategies. This minute order also adopts investment strategies for funds to be held under the trust agreement for the Transportation Infrastructure Finance and Innovation Act of 1998 loan for the SH 183 Managed Lanes Project (Midtown Express), which will be added to the investment policy.

- (2) Consider the annual review of debt management policy and derivative management policy for financing programs of the commission (MO)

This minute order approves the debt management policy which establishes parameters for the commission's financing programs considering acceptable levels of risk, minimizing interest costs, and optimizing future flexibility with consideration to achieving and maintaining the best possible credit ratings. Additionally, this minute order approves the derivative management policy which establishes responsibilities, objectives and guidelines for use of derivatives such as interest rate swaps and similar products to efficiently and prudently manage the commission's asset/liability profile.

13. **Routine Minute Orders and Reports (continued)**

d. **Finance (continued)**

- (3) **Dallas and Denton Counties** - Consider the approval of the I-35E Managed Lanes Project annual budget of revenues, operating and maintenance expenses, and capital expenditures, and acceptance of the annual inspection report (MO)

This minute order approves the annual budget of revenues, operating and maintenance expenses, and capital expenditures for the I-35E Managed Lanes Project in Dallas and Denton counties. The commission financed a portion of the costs of the I-35E Project with a TIFIA loan. The trust agreement for the loan stipulates that the commission will adopt an annual budget by the business day preceding the first day of each fiscal year. In addition, the trust agreement requires that the general engineering consultant perform an annual inspection on or before the 90th day prior to the end of each fiscal year and to submit an inspection report to the commission.

- (4) **Montgomery and Grimes Counties** - Consider the acceptance of the Quarterly Construction Progress Report for the State Highway 249 System (MO)

Report of construction progress for the State Highway 249 System (system) as of May 31, 2019. The commission financed a portion of the costs of the system with obligations issued pursuant to a trust agreement dated February 1, 2019, between the commission and U.S. Bank National Association (trustee). Section 407 of the trust agreement requires the commission to cause the general engineering consultant to prepare a construction progress report at least quarterly and to file the report with the trustee and the commission.

- (5) **Travis and Williamson Counties** - Consider the approval of the Central Texas Turnpike System annual operating, maintenance, and capital budgets (MO)

This minute order approves the annual operating, maintenance, and capital budgets for the Central Texas Turnpike System (CTTS) which consists of SH 130 Segments 1-4, SH 45N, SH 45SE, and Loop 1 extension. Some costs of the CTTS were financed with debt obligations. The Indenture of Trust stipulates that the commission will adopt annual budgets by August 31 of the preceding fiscal year.

e. **Transportation Planning**

- Gregg County** - In Longview, consider extending the designation of FM 2087 (MO)

This minute order extends the designation of FM 2087 from SL 281 eastward along Toledo Circle, then southwestward along Sabine Street to SL 281, a distance of approximately 0.5 mile.

f. **Access Control**

- Travis County** - US 290, just east of Austin - Consider the designation of one location on the eastbound frontage road of US 290 at which access will be permitted to the abutting property (MO)

The designation of one 75.24-foot break in the control-of-access line will allow the abutting landowner to open one multi-family residential driveway for access to and from the eastbound frontage road of US 290. The district has determined that access may be permitted at the designated location.

g. **Speed Zones**

- Various Counties** - Consider the establishment or alteration of regulatory and construction speed zones on various sections of highways in the state (MO)

This minute order establishes or alters regulatory and construction speed zones on various sections of highways in the state.

14. **Executive Session** Pursuant to Government Code, Chapter 551
Section 551.071 - Consultation with and advice from legal counsel regarding any item on this agenda, pending or contemplated litigation, or other legal matters.

OPEN COMMENT PERIOD - At the conclusion of all other agenda items, the commission will allow an open comment period, not to exceed one hour, to receive public comment on any other matter that is under the jurisdiction of the department. No action will be taken. Each speaker will be allowed a maximum of three minutes. Speakers must be signed up prior to the beginning of the open comment period.
