AGENDA

TEXAS TRANSPORTATION COMMISSION **125 East 11th Street** **Austin, Texas**

THURSDAY
June 25, 2020

In light of the current COVID-19 situation:

The Texas Transportation Commission meeting on June 25, 2020, will be conducted as a telephonic/audio meeting after consultation with the Governor's Office and considering the Governor's Proclamation of March 13, 2020, declaring a state of disaster for all counties in Texas from the imminent threat posed by COVID-19 and the Governor's approval of the request from the Office of the Attorney General to temporarily suspend certain open-meeting provisions of Texas law. You may listen to the meeting by calling the following toll-free number at the scheduled time for the meeting: 1-800-581-5838, participant access code 536914. If you would like to comment on an agenda item or provide an open comment during the meeting, you may do so by using that toll-free number and access code.

Note: The Texas Department of Transportation's computer network is currently recovering from an outage. If the applicable network functions are operational at the time of the meeting, you also will be able to access the meeting through the department's Internet website at www.txdot.gov.

You will be able to access an electronic copy of the agenda packet for the meeting at <https://www.txdot.gov/inside-txdot/administration/commission/2020-meetings.html>. The meeting will be recorded, and the recording will be available at <https://www.txdot.gov/inside-txdot/administration/commission/2020-meetings.html> on the day after the meeting or as soon thereafter as technically possible.

Persons with special needs or disabilities who require auxiliary aids or services are requested to contact Robin Carter at (512) 305-9536 at least five working days before the day of the meeting so that appropriate arrangements can be made.

9:00 A.M. CONVENE MEETING

1. **Meeting Guidelines**
Staff will provide instruction and guidance on procedures for the meeting.
2. **Consider the approval of the Minutes** of the May 28, 2020, regular meeting of the Texas Transportation Commission

3. **Contracts**

Consider the award or rejection of contracts for highway construction and maintenance, and construction and rehabilitation of buildings

These proposed minute orders contain information concerning the receipt of bids for highway improvement contracts. The department may reschedule receipt of bids for those projects where the commission rejects all bids. Those bids accepted by the commission will result in conditional contract awards to the low bidders. Contract award conditions may involve securing funding from other sources, the contractor's ability to satisfy federal DBE subcontracting requirements, or other requirements as outlined in the project bid proposal.

- a. **Highway Improvement and Other Transportation Facilities (MO)**
(see attached itemized list)
- b. **Routine Maintenance (MO)**
(see attached itemized list)
- c. **Construction and Rehabilitation of Buildings (MO)**
(see attached itemized list)

4. **Discussion Items**

a. **Texas Transportation Plan (TTP) 2050**

Discussion of the Texas Transportation Plan 2050 (Presentation)

The Texas Transportation Plan (TTP 2050) is the state's long-range transportation plan. The TTP sets the direction for the future of Texas' multimodal transportation system by informing investment strategies tailored to make progress towards TxDOT's performance goals and objectives. TTP 2050 will provide an objective and transparent decision-making framework, better manage transportation infrastructure, prioritize multimodal needs, and align resources to achieve the most beneficial performance outcomes to meet long-term goals and objectives. Staff will provide an overview of the TTP 2050 development process and the contents of the plan.

b. **Unified Transportation Program (UTP)**

Discussion of the draft 2021 Unified Transportation Program (Presentation)

The Unified Transportation Program (UTP) is a 10-year statewide plan for transportation project development. Staff will facilitate a discussion of the draft 2021 UTP.

c. **Legislative Appropriations Request (LAR)**

Discussion regarding the development of the Texas Department of Transportation's Fiscal Year 2022-2023 Legislative Appropriations Request (Presentation)

Staff will discuss the development of the LAR with the commission and seek direction on components of the LAR.

5. **Aviation**

Various Counties - Consider the award of federal non-primary entitlement grant funding, federal apportionment grant funding, and state grant funding for airport improvement projects at various locations (MO)

Federal law authorizes the award of federal non-primary entitlement grant funding and federal apportionment grant funding to preserve and improve the state's general aviation system. State law authorizes the award of state grant funding for capital improvement projects.

6. **Public Transportation**
Various Counties - Consider the award of state and federal formula and discretionary grant program funds to multiple entities for a variety of program-eligible purposes (MO)
The awards identified in this minute order reflect the allocation of fiscal year 2021 state funds to large urban, small urban, and rural transit districts; the allocation of second year awards to various entities for the biennial Section 5310 call for projects; the allocation of funds to various entities that responded to the biennial Coordinated Call for Projects; and the allocation of Section 5311 funds to rural transit districts based on vehicle miles.
7. **Promulgation of Administrative Rules** Under Title 43, Texas Administrative Code, and the Administrative Procedure Act, Government Code, Chapter 2001:
Rules Proposal
Chapter 1 - Management
Amendments to §1.84, Statutory Advisory Committees (Advisory Committees) (MO)
Senate Bill 1959 (SB 1959), 86th Legislature, amended Transportation Code §55.008 to require the Port Authority Advisory Committee (PAAC) to prepare a two-year maritime port mission plan. Previously, the PAAC was required to prepare both a port mission plan and a port capital program. The proposed amendments modify the reporting requirements for the PAAC in accordance with the changes made by SB 1959.
8. **Eminent Domain Proceedings**
Various Counties - Consider the authorization of the filing of condemnation proceedings to acquire real property by eminent domain for non-controlled and controlled access highways (see attached itemized list) (MO)
Commission findings, determinations, and authorizations for the state, by motion made in accordance with Senate Bill 18, 82nd Legislature, to acquire by eminent domain, upon the payment of adequate and just compensation, various ownership interests in specific parcels of real property that are needed to develop or improve both non-controlled and controlled access state highways, to include requesting the state attorney general to bring and pursue condemnation suits relating to those specific parcels of real property described in the attached itemized list.
9. **Routine Minute Orders and Reports**
a. **Donations to the Department**
Various Districts - Consider the acknowledgment of donations with a value of \$500 or more, including donations of money, materials, services, or real property, that are made to the department for the purpose of assisting the department in carrying out its functions and duties or for improving access to or from a highway on the state highway system (see attached itemized list) (MO)
State statutes require the commission to acknowledge the acceptance of a gift to the department that is valued at \$500 or more. By the adoption of this minute order, the commission acknowledges the receipt and acceptance of the property specified in the minute order.
b. **Real Estate Dispositions**
The commission must approve the sales, transfers, and exchanges of state rights of way and other real properties that are no longer needed for a state highway purpose. It must also approve, accept, and acknowledge donations to the state of real property that is valued at \$500 or more.
(1) **Bexar County** - SL 1604 - Consider an easement release to the underlying fee owner (MO)
The district has determined that the easement is no longer needed for highway purposes. The easement may be released to the underlying fee owner.

9. **Routine Minute Orders and Reports (continued)**

b. **Real Estate Dispositions**

- (2) **Bexar County** - SL 1604 - Consider an easement release to the underlying fee owner (MO)
The district has determined that the easement is no longer needed for highway purposes. The easement may be released to the underlying fee owner.
- (3) **Collin County** - FM 2478 - Consider the sale of right of way to the City of Allen, Texas (MO)
The district has determined that the land is no longer needed for highway purposes.
- (4) **Denton County** - BS 121 H - Consider the sale of right of way to an abutting landowner (MO)
The district has determined that the land is no longer needed for highway purposes. An abutting landowner has requested to purchase the land, and it may be sold to the requester.
- (5) **Denton County** - BS 121 H - Consider the sale of right of way to an abutting landowner (MO)
The district has determined that the land is no longer needed for highway purposes. An abutting landowner has requested to purchase the land, and it may be sold to the requester.
- (6) **Harris County** - Beltway 8 - Consider the sale of right of way to an abutting landowner (MO)
The district has determined that the land is no longer needed for highway purposes. An abutting landowner has requested to purchase the land, and it may be sold to the requester.
- (7) **Haskell County** - US 277 - Consider the sale of right of way to an abutting landowner (MO)
The district has determined that the land is no longer needed for highway purposes. An abutting landowner has requested to purchase the land, and it may be sold to the requester.
- (8) **Hidalgo County** - FM 681 - Consider the removal from the system and quitclaim of right of way to Hidalgo County, Texas (MO)
The district has determined that a segment of right of way is no longer needed as part of the system. The county has requested that the right of way be quitclaimed to the county. The right of way may be quitclaimed to the county because the interest in the property was acquired and held by the county in its own name for use by the state.
- (9) **Lubbock County** - FM 2378 - Consider an easement release to the underlying fee owner (MO)
The district has determined that the easement is no longer needed for highway purposes. The easement may be released to the underlying fee owner.
- (10) **Tarrant County** - SH 183 - Consider the sale of right of way to an abutting landowner (MO)
The district has determined that the land is no longer needed for highway purposes. An abutting landowner has requested to purchase the land, and it may be sold to the requester.

c. **Reports**

- (1) **Compliance Division Report**
State law requires the commission to establish a compliance program, which must include a Compliance Division to oversee the program. The Compliance Division is responsible for acting to prevent and detect serious breaches of department policy, fraud, waste, and abuse of office, including any acts of criminal conduct within the department. The Compliance Division is required to provide a monthly report to the commission regarding investigations and a summary of information relating to trends and recommendations.

9. **Routine Minute Orders and Reports (continued)**

c. **Reports**

(2) **Environmental Report**

Consider the acceptance of the report on projects being processed under the department's environmental review process (Report)

The report identifies projects being processed under the department's environmental review process. A report must be submitted twice a year to the commission, as required by Transportation Code, §201.762(a).

d. **Highway Designation**

Grimes and Montgomery Counties - Near Pinehurst, consider amending minute order 114382 and re-designating SH 249 as FM 1774 (MO)

This minute order revises and amends Minute Order 114382 to adjust the designations of FM 1774 and SH 249 by redesignating SH 249 as FM 1774 from existing SH 249 at FM 149 southward to the intersection of Woodtrace Boulevard; redesignates the frontage roads as FM 1774 southward of SH 249, a distance of approximately 0.2 miles; and amends the designation of SH 249 by extending SH 249 from Woodtrace Boulevard northwestward to SH 105 near the community of Stoneham.

e. **Transportation Planning**

Various Counties - Consider concurrence with the Regional Transportation Council of the North Central Texas Council of Governments' funding of construction and other project development costs of projects to be advanced through the use of payments received from the North Texas Tollway Authority in accordance with the SH 121 Toll Project Agreement (MO)

The department has established a separate fund to account for and track projects and project costs funded with the SH 121 payments. This minute order authorizes the funding of additional projects costs and changes to the list of previously-approved projects. The project costs to be funded were selected through a cooperative process with the Regional Transportation Council.

f. **Speed Zones**

Various Counties - Consider the establishment or alteration of regulatory and construction speed zones on various sections of highways in the state (MO)

This minute order establishes or alters regulatory and construction speed zones on various sections of highways in the state.

10. **Executive Session Pursuant to Government Code, Chapter 551**

Section 551.071 - Consultation with and advice from legal counsel regarding any item on this agenda, pending or contemplated litigation, or other legal matters.

OPEN COMMENT PERIOD - At the conclusion of all other agenda items, the commission will allow an open comment period, not to exceed one hour, to receive public comment on any other matter that is under the jurisdiction of the department. No action will be taken. Each speaker will be allowed a maximum of three minutes. Speakers must be signed up prior to the beginning of the open comment period.

ADJOURN
