5. **Advisory Committee Appointment**

The commission created the I-69 Corridor Advisory Committee (committee) in March 2008. The purpose of the committee is to facilitate and achieve support and consensus from affected communities, governmental entities, and other interested parties in the planning of transportation improvements in the I-69 corridor and in the establishment of development plans for that corridor. This minute order appoints a new member to the committee that will fill a current vacancy.

6. **Transportation Planning**
Bell and Coryell Counties - Authorize the submission of an application to the American Association of State Highway and Transportation Officials to establish a 25-mile segment of US 190 as I-14 (MO)

8. **Promulgation of Administrative Rules** Under Title 43, Texas Administrative Code, and the Administrative Procedure Act, Government Code, Chapter 2001:
- a. **Proposed Adoption**
- (1) **Chapter 1 - Management**
Amendments to §1.4, Public Access to Commission Meetings, §1.5, Public Hearings (Public Meetings and Hearings), and §1.11, Petition (Procedure for Adoption of Rules) (MO)
The rules correct errors and omissions in the rules that were identified in the department's rule review process by clarifying to whom requests for disability accommodations for a commission meeting or hearing should be made and who may request the adoption of a rule. The rules extend the period of prior notice for a request for disability accommodations, so that appropriate arrangements can be made. The rules also correct the list of reasons for which the commission may hold a hearing to correspond to a statutory change.
- (2) **Chapter 10 - Ethical Conduct by Entities Doing Business with the Department**
Amendments to §10.5, Benefit (General Provisions) (MO)
The proposed amendments remove the exception allowing entities doing business with the department to provide an ordinary working meal to a member of the commission or to a department employee.
- (3) **Chapter 9 - Contract and Grant Management**
Amendments to §9.150, Purpose, §9.151, Definitions, §9.152, General Rules for Design-Build Contracts, §9.153, Solicitation of Proposals, and §9.155, Conflict of Interest and Ethics Policies (Design-Build Contracts) (MO)
These amendments modify §§9.150-9.153 to implement changes made to Subchapter F of Chapter 223, Transportation Code by House Bill 20, 84th Legislature, 2015. Additionally, proposed amendments to §9.155 relating to Conflict of Interest and Ethics Policies for Design-Build Contracts will align the rules in Section 9.155 concerning gifts and benefits with current department practices.

8. **Promulgation of Administrative Rules** Under Title 43, Texas Administrative Code, and the Administrative Procedure Act, Government Code, Chapter 2001:
- a. **Proposed Adoption (continued)**
- (4) **Chapter 27 - Toll Projects**
Amendments to §27.8, Conflict of Interest and Ethics Policy (Comprehensive Development Agreements), §27.91, Definitions, and §27.92, Financial Terms (Determination of Terms for Certain Toll Projects) (MO)
These amendments modify §27.8 relating to Conflict of Interest and Ethics Policies for Comprehensive Development Agreements to align the rules in §27.8 concerning gifts and benefits with current department practices. Additionally, proposed amendments to §27.91 and §27.92 relating to Toll Projects will align those rules with the department's existing contracting authority.
- b. **Rule Review**
In accordance with Government Code, §2001.039, Readoption of Title 43 Texas Administrative Code Chapter 1, Management; Chapter 5, Finance; Chapter 11, Design; Chapter 15, Financing and Construction of Transportation Projects; Chapter 21, Right of Way; and Chapter 27, Toll Projects (MO)
State law requires a state agency to review each of its rules not later than every four years. After the review, the agency must readopt the rule, readopt the rule with amendments, or repeal the rule. The department reviews its rules on a rotating basis.
9. **Design Build Contract**
Dallas County - Authorize the department to issue a request for qualifications to design, develop, construct, and potentially maintain the Southern Gateway Project, including improvements to I-35E from south of the I-35E/US 67 interchange to Colorado Boulevard, with transition work extending north to Reunion Boulevard and improvements to US 67 from the I-35E/US 67 interchange to I-20 in Dallas County (MO) (Presentation)
Transportation Code §223.242 authorizes the department to enter into, in each fiscal year, up to three design-build contracts for highway projects with a construction cost estimate of \$150 million or more. The Southern Gateway Project is a crucial element to providing system continuity and improving safety and mobility in the area and meets the requirements for design-build delivery.
10. **Finance**
Accept the Quarterly Investment Report (MO)
This minute order recognizes the commission's acceptance of the quarterly investment report for investment of funds held by the Bank of New York Mellon, as trustee, under the Central Texas Turnpike System master trust indenture; and the investment of funds for the Pre-paid TxTag account held by the Bank of New York Mellon, acting as custodian.

11. **Contracts**

Award or reject contracts for maintenance, highway and building construction

These proposed minute orders contain information concerning the receipt of bids for highway improvement contracts. The department may reschedule receipt of bids for those projects where the commission rejects all bids. Those bids accepted by the commission will result in conditional contract awards to the low bidders. Contract award conditions may involve securing funding from other sources, the contractor's ability to satisfy federal DBE subcontracting requirements, or other requirements as outlined in the project bid proposal.
